SAKAT WITH DASSTUDACH

On February 13th, 2026, SAKAT launches its very first event at Chessu Biel. The organisers bring pure hardtechno to the region and create a space where heavier electronic sounds finally get the attention they deserve.

Expect a night filled with driving kicks, dark atmospheres and relentless energy from the first track to the very last. With SAKAT, our goal is to build an ongoing event series and strengthen the hardtechno scene in the Bern area in the long term. This night is only the beginning.
