# MAISON CHASSERAL - TERROIR KIOSK

The Terroir Kiosk invites you to discover regional specialities, served either to go or to enjoy on site in a natural alpine setting. On ski lift operating days, Patrik Arber's team prepares simple, local dishes.

Easily accessible by bus from Saint-Imier or by car with ample parking, this spot appeals to families, groups of friends, and mountain enthusiasts.

Maison Chasseral also offers a heated picnic room, winter sports equipment rental, and a multipurpose room available in summer. Whether after hiking, snowshoeing or skiing in the Grand Chasseral, the kiosk is a welcoming place to recharge.
