VALIANT MARATHON DU JURA

More than just a sporting challenge, the Jura Marathon invites runners to immerse themselves in the heart of the Jura landscapes. The route, both varied and demanding, follows the Sorne and the Scheulte rivers. The pure mountain air and the beauty of the scenery accompany you with every stride. Entertainment zones punctuate the race, offering moral support and refreshments: water, fresh fruit, cereal bars… The warm atmosphere created by the spectators carries you all the way to the finish line. An experience to enjoy solo or as a group, for passionate runners.
