

VACATION APARTMENTS, LES SAGNETTES (LA BRÉVINE)

LA FERME DU BOIS DE L'HALLE

Enjoy a unique stay in harmony with nature and the rhythm of farm life. Located directly on the farm, this tastefully renovated holiday apartment offers much more than just accommodation: a beautiful natural setting, a large playground for children, wonderful hiking opportunities nearby, and a CarPostal bus stop right at the farm.

The 110 m² apartment features two bedrooms—one with a double bed and one with two single beds that can be joined—as well as a spacious living area with an open-plan kitchen. The sofa bed in the living room allows the apartment to accommodate up to six guests in total. A large terrace provides the perfect place to relax and enjoy the peaceful surroundings.

The fully equipped kitchen includes an oven with a combined microwave steam function, a dishwasher, and a large refrigerator (no freezer).

The atmosphere is intentionally authentic: you will hear the cows being milked in the morning between 6 and 8 a.m., and again in the evening between 5 and 7 p.m., offering a truly immersive farm experience.

An ideal place for nature lovers, families, and anyone looking for a genuine and refreshing rural getaway.
