INSER-LAUF

Following the fantastic success in 2025, the organisers are delighted to invite you to the event on 28 June 2026. The organisers have taken your input and suggestions for improvement on board and hope to be able to implement most of them. The organisers are particularly keen to optimise the catering along the route. After the experience with the intense heat, the organising committee has decided to bring the start times forward slightly. Please note the relevant information on the information pages.

The organisers look forward to a great event with you and say: 'Keep on running!'
