

CONCERTS, MUSIC, BIEL/BIENNE

SUNCUTS (CH)

SUNCUTS dives headfirst into the raw intersections of free improvisation, noise music, jazz and extreme music. Their music is a visceral exploration of contrasts: delicate textures collide with thunderous bass lines, industrial electronics wrap around expressive saxophone lines, and abstract grooves emerge from the chaos to form foundations only to collapse again.

Felipe Zenicola - bass
Maxime Hänsenberger - drums
Anton Ponomarev - saxophones, electronics

Free admission, donations welcome

OPENING HOURS

The 6 Mar 2026
Friday

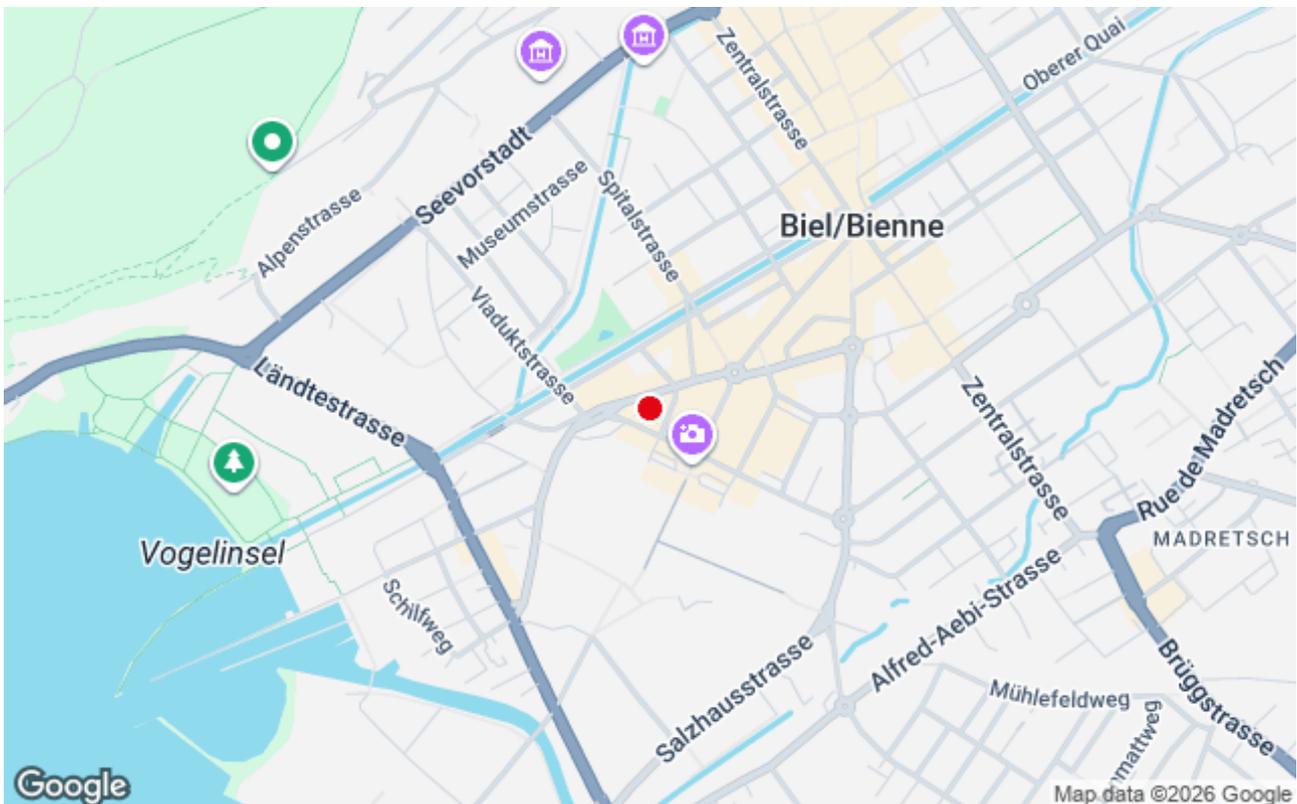

21:00
