LET'S DANCE - ALL STYLE EVENT

It's time to glide across the dance floor and swing your hips to hot rhythms. The DJ plays a wide range of music for various ballroom dances such as disco fox, jive, cha-cha-cha, rumba, salsa, bachata, kizomba, samba, Argentine tango, mambo, merengue, as well as waltz, foxtrot, slow fox, quickstep and many more. All this in a relaxed and beautiful atmosphere, with modern and lively music on an air-conditioned dance floor.

The admission price includes an attractive Valentine's Day surprise. Let Dagmar Berger from the dance institute 'bewegung-die-bewegt.ch' inspire you to dance.

Interested? Let yourself be surprised and add the date to your diary today!

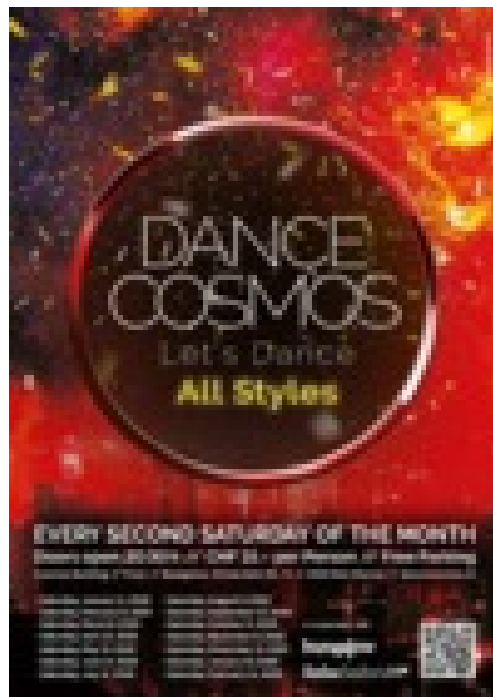

Perhaps you are coming for the first time, or like many others, you are a regular visitor? Either way, the organisers look forward to seeing you!
