

EVENT AWAITING VALIDATION, CUDREFIN

NATURE GATHERING - THE SQUIRREL (AS PART OF THE FESTIVAL OF NATURE)

What role does the squirrel play in our forests? Is it simply a cute animal climbing trees, or does it have a greater significance for nature? Join us this afternoon to learn how this agile rodent contributes to seed dispersal and supports forest development.

OPENING HOURS

The 24 May 2026
Sunday

14:00 - 16:00
