

ART, EXHIBITION, VIEILLE VILLE DE NEUCHÂTEL

PRIMATES

Step into the fascinating world of Primates in the heart of Neuchâtel. Around fifteen monumental sculptures of great apes animate the public space with powerful presence and striking realism. Each bronze or aluminium figure captures a vivid moment and invites reflection on our connection to the animal world. The Natural History Museum further explores the artistic process and scientific research on primates.

OPENING HOURS

From 23 May 2026 to 20 Sep 2026
