# GROOVE & GLOW DANCE WORKSHOP - 20 YEARS TEKI TEKUA

Join Nadine Maeder as she immerses you in the world of TeKi TeKua and celebrate the 20th anniversary of the dance company with the team! Let yourself be carried away by groovy, funky beats, move your body freely and discover simple, accessible moves. This is not about perfection or pressure to perform, but about expression, body awareness and pure joy in movement. Leave the workshop with new energy, lightness and an inner glow that radiates outwards.

Open to everyone aged 14 and over – no previous experience necessary.
