TeKi TeKua is celebrating its 20th anniversary at the Coupole in Biel with a major festival – three days of dance, music, creativity and encounters for all generations. 150 dancers from the association's 20-year history will perform together on stage, accompanied by 12 DJs. The programme includes 36 shows, a Deep - Glow Party with live performances, a Fiji Electroclash concert with TeKi dancers, a kids' disco and a battle with 16 professional dancers from all over Switzerland.
