

WELLNESS, LA HEUTTE

L'OURSE POLAIRE

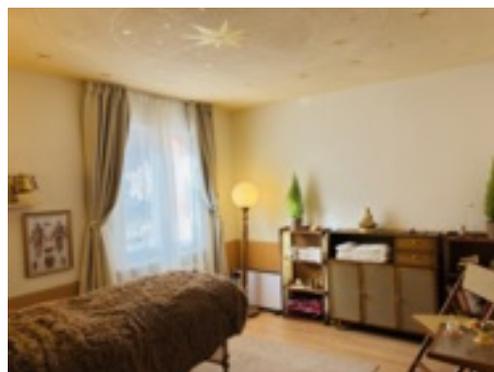

In La Heutte, Lila welcomes you into her small wellness retreat — an intimate and warm space reserved for women.

In a soft, luminous and soothing polar setting, enjoy personalized massages and cupping treatments under a starry sky to release tension and reconnect with your inner energy.

A small personal development library is available to extend the experience.

Gift vouchers are available to offer a unique moment of relaxation.

For each treatment, a portion is donated to Polar Bears International to support the protection of polar bears.
