TILT SHOW STORIES 2

The dancers take you on a journey full of emotion, imagination, and energy—from touching and funny moments to thrilling climaxes. Experience how our three stories *Inside Out*, *What to do with an Idea* & *Robin Hood* come to life through dance: powerful choreography, surprising twists and turns, and a stage design that beautifully accompanies it all.

Let yourself be enchanted by “Stories 2” – a dance show that combines modern contemporary, ballet, and jazz dance.
