

GUIDED CITY TOUR, ESTAVAYER-LE-LAC

GUIDED TOUR OF THE OLD TOWN AND URBAN ART

Along cobbled streets, historic squares and centuries-old façades, the town's architectural heritage reveals itself in all its authenticity.

Throughout the route, contemporary works — painted, sculpted or moulded — appear in the public space, creating a striking dialogue with the historic setting. Created by artists with diverse artistic approaches, these pieces transform Estavayer-le-Lac into a true open-air gallery where heritage and modernity coexist in harmony. This guided tour offers the opportunity to explore the town from a dual perspective, between history and contemporary creation, highlighting the many cultural facets of Estavayer-le-Lac.
