ELECTRONIC UNDERGROUND WITH ANIMAL TRAINER

Pink Noise presents ANIMAL TRAINER (Hive Audio), CUBEX, SILJA & Live VVVisuals. Real Rave. No compromise. 23h till late. Come early and stay late. Adi of Animal Trainer steps up for a pure DJ set – sharp selection, long builds, heavy drops. A true Hive resident who knows exactly how to lock a dancefloor in. Cubex delivers deep, dark Techno pressure – hypnotic, twisted and relentlessly driving forward. Silja adds melodic lift and atmospheric depth, balancing warmth and intensity at the right moments. Live VVVisuals completes the trip and creates the perfect live atmosphere, merging sound and space.
