GRILL EXPERIENCE

Grill Experience invites you to enjoy a gourmet experience centred around the grill. Dishes are prepared live before your eyes from simple creations to refined menus. Vegetarian and vegan options are available on request.

For birthdays, team events or weddings, various formats are available: Feuertopf, Grill Piazza, Grillchef's Service, Grill Tavolata or Spiessli grill rental.

Grill courses and coaching sessions help refine your skills, including a vegetarian grill course. Seasonal events such as full moon dinners, grill outings on the River Aare or Wild im Wald create special culinary moments in a carefully curated atmosphere.
