

FUN & ADVENTURE, PORRENTRUUY

AJOIE ÉVASION

At AjoieQuiz, you step into the role of contestants in a real TV game show. Seated behind your podium, buzzer in hand, you compete against friends, colleagues or family members in a fast-paced quiz game open to everyone. No need to be an expert — every participant has a chance to win.

The game is hosted by Quizy, an interactive presenter powered by artificial intelligence, who keeps the energy high and guides players throughout the experience.

For a special occasion — birthday, bachelor or bachelorette party, retirement, wedding or birth — create a fully personalised final round. An original way to celebrate an event or honour someone special.

The room accommodates 3 to 12 players at the same time, making it ideal for a group outing in the Jura.
