--SEROTONINE (BNC/BXL – Rave) The Biel-based trio that packs a punch! Blending Gabber and hardstyle, their live sets are every bit as wild as the craziest punk gigs!

--ESTI (NE – Jungle) With a passion for basslines, broken beats, dancehall-tinged sounds and the chaos of orchestral samples, it's above 160 BPM that his soul truly takes flight, on a journey that oscillates through the history of the hardcore continuum.

--SCHNAUTZI (Lyon – Dancehall Rave / Argent Sale) Producer, DJ and founder of the Argent Sale label, he presents DANCEHALL RAVE: a dialogue between two worlds – the dub sirens of Lee "Scratch" Perry and the reese basslines of Kevin Saunderson.

.....

Bienne has built its scene thanks to the many collectives that have tirelessly organised parties and spaces to bring this culture to the Bienne nightlife scene.

Thanks to the collectives, squats, clubs, sound systems and the audience who understand the codes.

Safe dancefloor. Powerful sound. Respect and kindness.
