LET'S DANCE WORKSHOP

It's time once again to glide across the dance floor and sway your hips to some sizzling beats. The DJ plays a wide variety of music for all kinds of ballroom dances, including Discofox, Jive, Cha-Cha-Cha, Rumba, Salsa, Bachata, Kizomba, Samba, Argentine Tango, Mambo and Merengue, as well as the Waltz, Foxtrot, Slowfox, Quickstep and many more. All this in a relaxed, pleasant atmosphere, to modern and lively music on an air-conditioned dance floor.

The admission price includes an exciting Discofox workshop. Let Monika Jost from the 'Dance Vision' dance school inspire you to love this dance.
