# FILMUSIC - CINEMA SYMPHONY

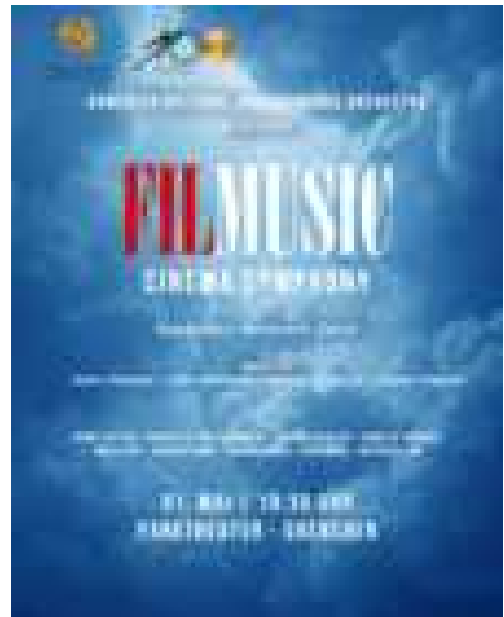

**FilMusic – Cinema Symphony** is a concert project by the Armenian National Philharmonic Orchestra under the musical direction of Benjamin Zwick. The program is dedicated to the symphonic world of film music and brings some of the most famous soundtracks in film history to the concert stage.

Featuring music by composers such as Hans Zimmer, John Williams, Ramin Djawadi, and Danny Elfman, the concert presents impressive orchestral works from Harry Potter, Pirates of the Caribbean, Schindler's List, Game of Thrones, Inception, Jurassic Park, Indiana Jones, Star Wars, and Interstellar. The concert combines the emotional power of cinema with the sonic intensity of a large symphony orchestra, inviting the audience on a musical journey through iconic film moments.
