OPENING OF THE 29TH EDITION OF THE BIEL PHOTOGRAPHY DAYS

Come along to the opening of the 29th edition of the Biel Photography Days!

Once again this year, the organisers invite you to the foyer of the Photoforum Pasquart from 6.00 pm to discover this new edition together. The speeches will last 30 minutes and will be delivered in French, German and English.

The evening will continue with drinks and snacks. You'll have the chance to meet the artists in attendance and explore the various artistic offerings at your own pace.
