

GUIDED CITY TOUR, BIEL

VISIT OF THE SKNIFE MANUFACTURE

Sknife is a Swiss manufacturer of premium knives based in Biel/Bienne, at the heart of Swiss watchmaking, where renowned brands such as Rolex and Omega produce their timepieces. With direct access to exceptionally high-quality steel and the use of stabilized Swiss wood, sknife knives and cutlery combine precision, durability, and elegance.

During a guided visit of the manufacture, discover firsthand how high-end knives come to life in the city of Biel/Bienne—through passion, precision, and traditional craftsmanship. The sknife manufacture offers exclusive insight into Swiss knife-making: an authentic, immersive, and inspiring experience.
