

PLAYGROUND, NEUCHÂTEL

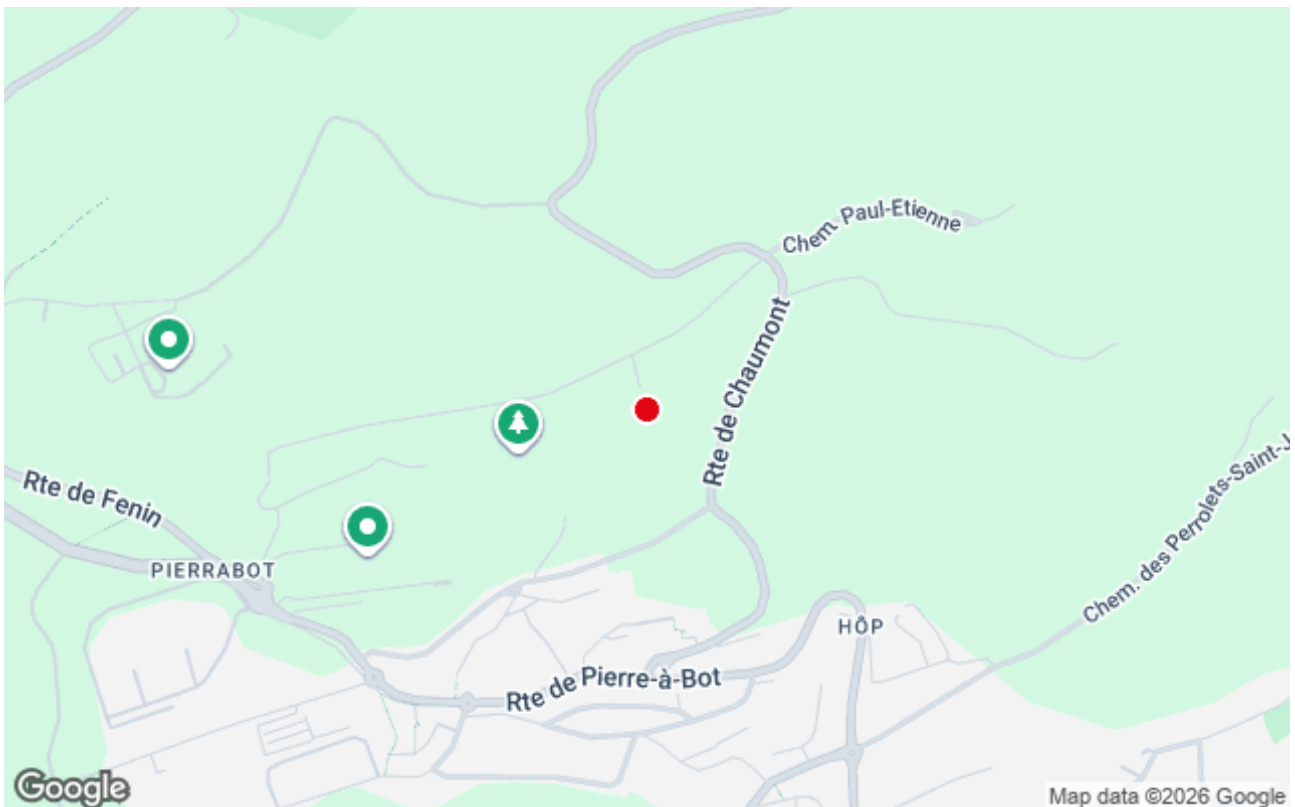

PIERRE-À-BOT PLAYGROUND

Between play and nature, this spacious playground invites young and old to enjoy the outdoors. Swings, a zip line, slide and agility course promise active fun, while a sandpit with a water fountain delights younger children. Set on a former golf course, the site features wide green areas ideal for relaxing and exploring, with the option to try swingolf, footgolf or disc golf. Picnic tables and grills complete the offer, and a nearby restaurant makes it easy to extend the outing.
