HAUTERIVE PLAYGROUND

Between lake and nature, this large playground is a true adventure ground for all ages. Swings, a four-seat merry-go-round and impressive boat-shaped agility courses with slides invite climbing, sliding and active play. A large green lawn surrounds the area, perfect for relaxing or playing, while the sandy beach and beach volleyball courts add a summery touch. A table tennis table extends the fun, and a bit further away, picnic tables, grills and pétanque courts offer great moments with family or friends.
