

CAMPING CAR, ORPUND

PITCH AARENHOF PARKING AREA

Located directly on the banks of the Aare, the Aarenhof parking area welcomes you in a ????? and natural setting in the Seeland region—perfect for travellers with self-sufficient motorhomes or vans. A private sunbathing lawn with direct river access invites you to relax, whether for a refreshing swim or peaceful moments by the water.

The surrounding farmland shapes the landscape with fields of barley, wheat, spelt, and corn. On request, you can enjoy freshly baked butter plait bread, loaves, or rolls, complemented by homemade jams.

Hiking and cycling trails start right at the farm. Nearby excursions include the Seeteufel experience world in Studen, the Taubenloch Gorge, or the old town of Biel. Bern and Lake Biel are also easily accessible.
