

HOTEL, DELÉMONT

AUBERGE DU PARC

L'Auberge du Parc is a modern hostel directly integrated into Raiffeisen Parc in Delémont, a leisure center that brings together cinema, sports, dining, and various activities.

It offers a simple, friendly, and accessible experience, with a fully digital approach, allowing guests to check in independently at any time.

The property will feature 68 beds across 13 dormitory-style rooms accommodating 2 to 8 people, with beds bookable individually or by room, depending on needs.

The hostel welcomes both individual travelers and groups (schools, sports clubs, families, and team-building groups), with a strong focus on active and accessible stays.

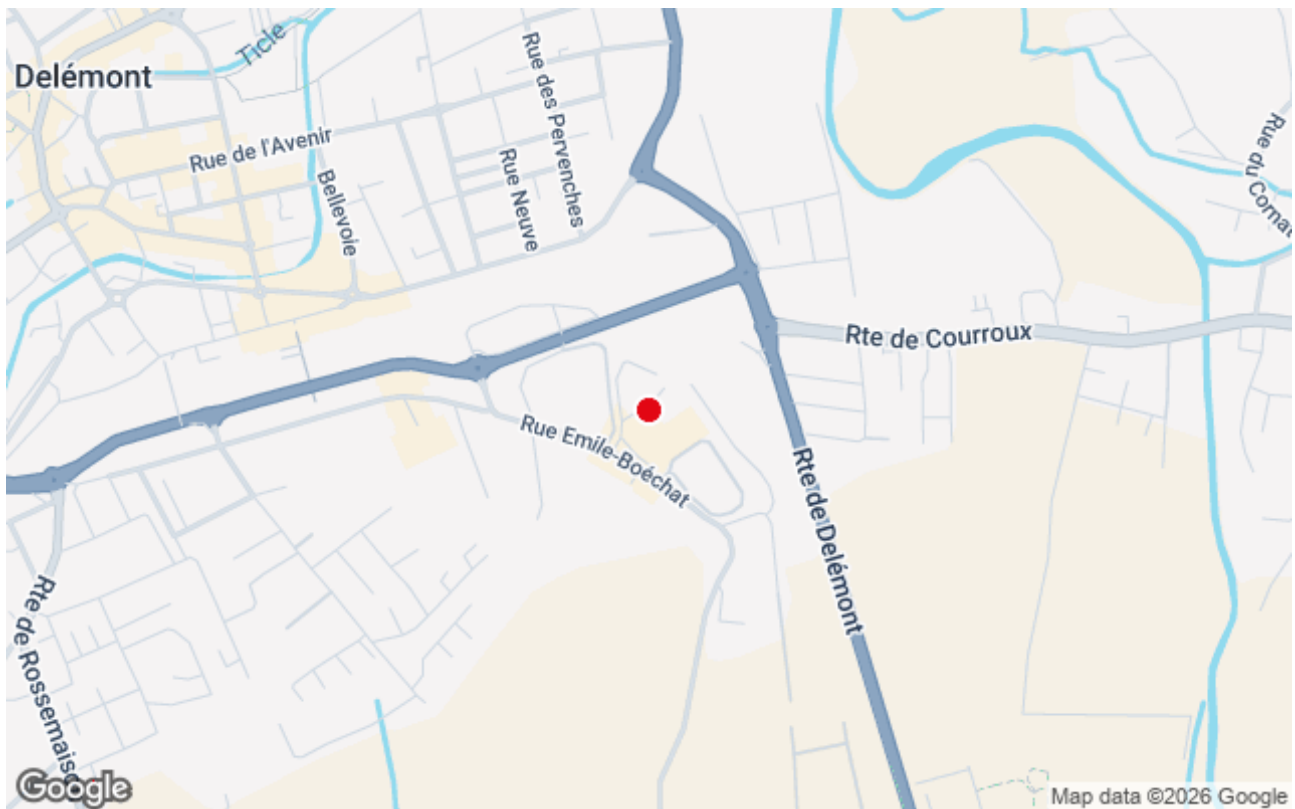

Scheduled to open on 1 August , 2026
