

REGIONAL PRODUCTS, PORRENTRUY

MARCHÉ SAINT-GERMAIN

Marché Saint-Germain is a cooperative of Swiss and Jura producers, artisans and creators brought together by a shared desire: to offer local, authentic and high-quality products in a welcoming and lively setting.

Located at Esplanade Centre in Porrentruy, the market brings together a wide selection of regional products and handcrafted creations: meats, cheeses by the slice, dairy products, breads, pastries, seasonal fruits and vegetables, wines, craft beers, coffee, delicatessen products, natural cosmetics, regional specialities and many other local discoveries. The products offered, whether organic or conventional, are carefully selected from producers who share values of quality, proximity and respect for the environment. A true showcase of Swiss and Jura expertise.

More than just a shop, Marché Saint-Germain is also a place for meeting and discovery. Throughout the year, tastings, activities and events highlight regional producers and create a direct connection between consumers and artisans.

The market promotes short supply chains, local sourcing and the work of regional producers, all in a warm, friendly and accessible atmosphere.
