# THE SIP SHIP

## A Floating Whisky Experience

Experience whisky in a unique atmosphere: On board a stylish ship, the organisers invite you to an exclusive whisky tasting where enjoyment, craftsmanship, and maritime flair come together.

From smoky coastal whiskies to floral Highland drams, the organisers offer a select range that bridges the gap between the rugged Scottish landscape and the idyllic region around Lake Biel.

Whether you're a connoisseur or a curious newcomer, this tasting offers ample opportunity to sample, marvel, and savor. Look forward to engaging conversations, special bottlings, and an afternoon that will stay with you long after you leave.
