# ŒIL DE PERDRIX WINE TASTING AT A RESTAURANT

The Œil de Perdrix, an emblematic wine of the Canton of Neuchâtel, is a delicate rosé made from Pinot Noir grapes. Created in Neuchâtel in the 19th century, it is now renowned far beyond the canton's borders for its freshness, elegance and subtle copper hue. This year, the Œil de Perdrix celebrates its 165th anniversary and unveils a refreshed image - a wonderful opportunity to highlight this unique winemaking expertise and the winegrowers who continue to preserve and promote this tradition.

Holders of the Neuchâtel Tourist Card can enjoy a complimentary glass of Œil de Perdrix in one of the 12 partner restaurants. For guests under the age of 16 or those who do not consume alcohol, a non-alcoholic alternative is available.
