BSG SUNSET CRUISE

Leave the hustle and bustle of everyday life behind and set sail on a late-afternoon cruise, just as the last rays of the sun illuminate the landscape. In an elegant and welcoming atmosphere, savour an aperitif whilst admiring the panoramic views as they pass by along the water. This experience is ideal for sharing a special moment with colleagues, family or friends, or for a private event, in a setting that's perfect for relaxation and socialising.
