FANTASTIC ARTISTS EXHIBITION

The art of the fantastic.

The art of dreams, of other worlds that nevertheless seem strangely familiar. To mark the 25th anniversary of the NIFFF and the recent opening of the Tour du Fantastique, this exhibition is dedicated to this fascinating art form.

More than 10 artists invite visitors to discover their own unique worlds through this collaborative exhibition: Krum, Corridor Cosmique, Axel Defois, Chakir Ali, Etienne Laderach, Petit-Goupil, Servane Altermatt, Paul-Emile Boucher, Magali Bossi, Zyber Punkt and the Collectif Avant-Garde. Some come from the world of comics, while others are digital artists working in worldbuilding for video games and role-playing games. Others still are fashion designers or writers.

The Grand-Cachot will be decorated with views of other worlds, accompanied by fantastical dresses inspired by chiaroscuro painting. The exhibition also provides an opportunity to collaborate with the Tour du Fantastique, featuring works by artists from Colibri-foudre.
