# AUGUST 1ST BRUNCH

The market is packed with fruit, vegetables and processed products, from jams to sparkling wines. It's the perfect opportunity to savour the diversity of local produce. Attendees can sample a selection including 20 homemade jams, fruit from the orchard, yoghurts, eggs, ham, regional cheeses and röstis prepared on site. Two bread ovens are in operation to offer freshly baked bread and braids. Seasonal fruit tarts and sweet and savoury cream cakes, made with care, complete this gourmet brunch.
