

HOTEL, LE SENTIER

HÔTEL BELLEVUE LE ROCHERAY***

This three-star hotel-restaurant counts 23 rooms including two rooms adapted for guests with reduced mobility. The restaurant offers an elaborate cuisine featuring seasonal products and guests have the choice of dining in the veranda, on the covered terrace or in the elegant dining room. A conference room, as well as a kiosk and a small terrace directly on the shore complete the offer. Excellence and quality is guaranteed with the consistency in its ownership; the Hôtel Bellevue Le Rocheray has had the same name since it opened in 1883.
