

FUN & ADVENTURE, MURTEN

MURTEN ESCAPE

The Witches' Tower – between legend and reality

Enter a mysterious world where historical facts and traditional beliefs intertwine. This immersive adventure takes you deep into a fascinating local story, filled with mystery, intuition and a truth that must be pieced together step by step.

Murten–Fribourg – history in motion

Discover the history and values of this legendary road race in a playful and interactive way. Endurance, teamwork, sporting memories and time-based challenges are at the heart of this room, inspired by passion, commitment and movement.

A project – 100% created by young people

This escape game was entirely designed and developed by students from CORM/OSRM. The bilingual French-German experience reflects their creativity, attention to detail and contemporary perspective on the region's cultural heritage.

An ambitious educational project, an exciting gaming experience and a new way to discover local history together while racing against the clock.

Are you ready to solve the mysteries of the past and discover the region from a new perspective?
