WINES, TWANN

VINEYARD WALK AND APERITIF

Explore the winegrowing landscape around Lake Biel on a guided walk through the vineyards of Twann. Along the way, enjoy views of the village, Lake Biel, St. Peter's Island and, on clear days, the Alps.

Depending on your preferences, the walk can include several aperitif stops, with regional wines, mineral water and light snacks served among the vines.

Discover local winegrowing traditions as Tinu Mürset shares stories and anecdotes from his daily life as a winemaker. To extend the experience, round off the day with a meal at Domaine Mürset, enjoying one of the estate's specialities paired with local wines.
