

WATCHES, LA CHAUX-DE-FONDS

ASSEMBLE YOUR OWN WATCH – SCHNEIDER & CO WORKSHOP

Depending on your preferences, you can select a model from the Schneider & Co collection, create a unique combination using components from different models, or personalise the dial with an image of your choice. This hands-on experience gives you a true insight into the meticulousness and precision that define the watchmaking craft, while allowing you to create a timepiece that is uniquely yours.

At the end of the workshop, your watch is ready to wear. You leave with a unique timepiece that you have assembled yourself. An immersive experience in the heart of La Chaux-de-Fonds' watchmaking tradition, combining expertise, creativity and the pleasure of creating something with your own hands.
