

WELLNESS, NEUCHÂTEL

JEUNES-RIVES SAUNA

As the temperatures drop, things warm up at Jeunes-Rives! From autumn onwards, two wood-fired saunas just steps from the lake invite you to relax. Alternate between soothing heat and a refreshing dip in the lake, then extend the experience with a drink or a light bite at the café. A relaxing wellness break right by the water, in the heart of Neuchâtel.

GOOD TO KNOW

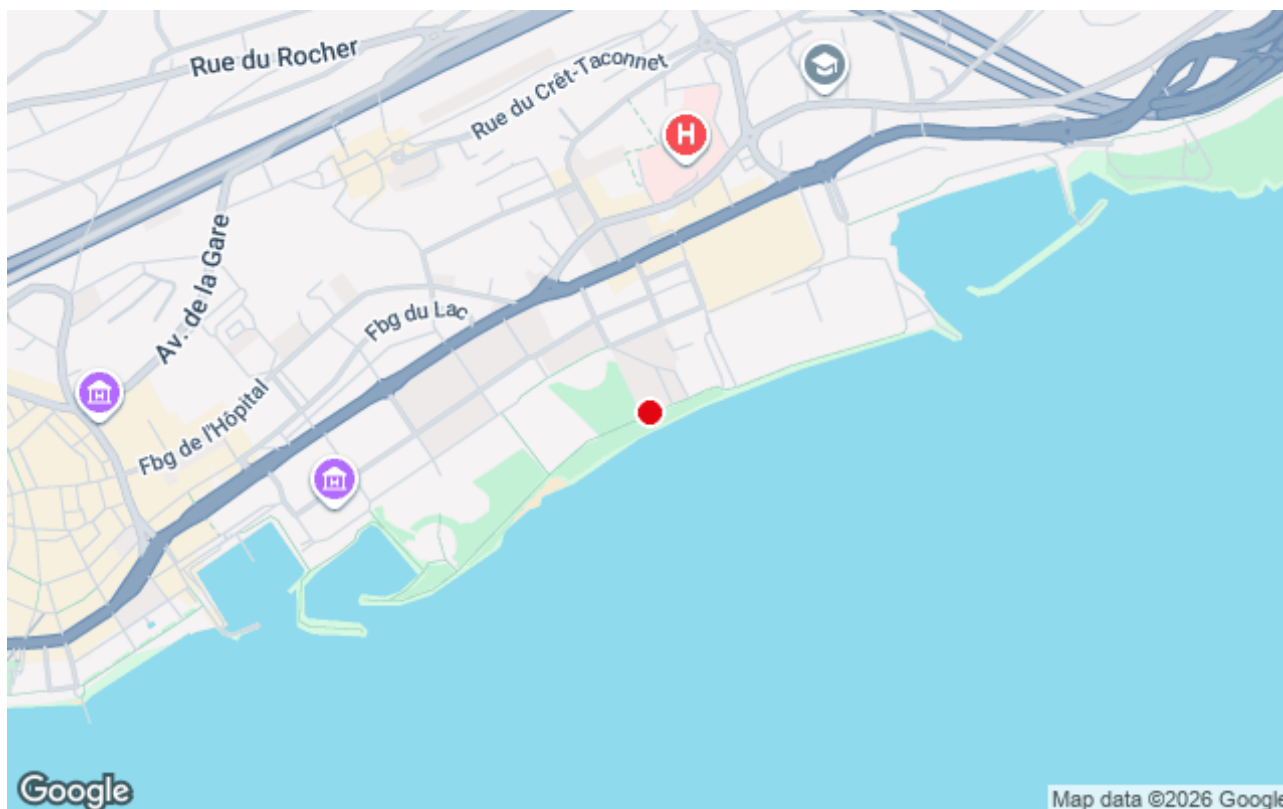

- Opening planned for October 2026
