APÉRO ESCAPE

The Apéro Escape reinterprets the aperitif by adding a good dose of reflection! The principle: retrieve a cooler filled with products from the region… but to access its contents, you must first manage to open it. Puzzles and mechanisms integrated into the cooler gradually reveal themselves and invite participants to collaborate to free the various treats. Bière Fou du Roi, wine from Caves Schmutz, sausage from Boucherie Jacquier, Gruyère AOP from Fromagerie d'Écharlens, and artisanal terrine from Chez Denis are among the aperitif offerings. Completely nomadic, the experience can be enjoyed wherever you wish: in a garden, on a terrace, by the lake, at home, or even in a corporate setting. An original activity to share with friends, family, or for a birthday or team building event.
