LET'S DANCE WORKSHOP

It's time once again to glide across the dance floor and sway your hips to some sizzling rhythms. Our DJ plays a wide variety of music for dancing to various ballroom styles such as Discofox, Jive, Cha-Cha-Cha, Rumba, Salsa, Bachata, Kizomba, Samba, Argentine Tango, Mambo and Merengue, as well as the Waltz, Foxtrot, Slow Fox, Quickstep and many more. All this in a relaxed and lovely atmosphere, to modern and lively music on an air-conditioned dance floor.

The entry fee includes an attractive Bachata workshop. Let Laura Bottazzo and Reto Sutter from the 'Salsalto' Dance Institute inspire you with this dance.

Interested?

Come and be surprised – add the date to your diary today! Perhaps it's your first time, or maybe, like many others, you'll be coming back again and again? Either way – we look forward to seeing you!

Please spread the word: Saturday, 12 September 2026 from 8.30 pm – let's dance!
