COMME LE BLEU POUR LA MER

Our friends the words, rich rhymes, jazz, « Le Prélude de Bach, « Bidonville », bonds of love and friendship, the earth that turns, desire and will to live. Surrounded by Cécile Laparre on piano, Arthur Harsch on drums and Cédric Gygax on keyboards, Marie-Laure and François have chosen a repertoire in tribute to two magnificent artists, Maurane and Claude Nougaro. Both have left indelible traces in the landscape of French song, unique voices and talents, deep, shaking lyrics, imbued with dark and luminous humanity.
