"In My Own World...": Aline Girardin's Emotions Take Colour at Château de Miécourt

Miécourt, September 2026 – From 26 September to 31 October 2026, Château de Miécourt will host the exhibition "In My Own World...", showcasing the work of Aline Girardin. Originally from Bure, the artist still lives and works in the Jura region today.

A self-taught artist, Aline Girardin has been painting since 2014. Passionate about drawing since childhood, she truly discovered painting almost by chance, when she created a painting for a friend's birthday. This first experience marked the beginning of an artistic journey that now occupies an essential place in her life.
