ARNO LOUIS: RECHERCHE D'HARMONIE

VERNISSAGE: 3.10.26 18h

PERFORMANCE COEXISTENCE: 16.10.26 19.30h (avec Solène Devaux & Arno Louis - et avec soupe à la courge)

The works of Arno Louis explore the relationship between humans and nature through the figure of the bird, a symbol of freedom, resistance and transformation. The recycled materials are deliberately left visible, evoking its habitat and the traces of the changes imposed on its environment. At the gallery, Arno Louis invites you to exchange ideas around resistance, coexistence and the symbols carried by ibises. Sharing, listening and seeing what these images can bring to life.
