

EVÉNEMENTS, LA CHAUX-DE-FONDS

SWISS WATCHMAKING FESTIVAL

From 4 to 6 December 2026, La Chaux-de-Fonds will be celebrating the 4th edition of the Swiss Watchmaking Festival.

At the Maison du Peuple, watch brands, craftspeople, designers, jewellery professionals, schools and institutions invite visitors to discover the wide range of skills and professions associated with timekeeping. Exhibitions, demonstrations, hands-on workshops, panel discussions and talks offer a closer look at expertise where tradition, precision and innovation come together.

The Festival also extends to the International Watchmaking Museum and the Espace de l'urbanisme horloger, two emblematic venues offering a deeper understanding of the unique bond between La Chaux-de-Fonds and watchmaking.

Among the experiences on offer, "L'Odyssée d'Hora" takes visitors on an introductory journey for those wishing to delve deeper into this fascinating world.

An opportunity to experience watchmaking from a different perspective, meet the people who keep its traditions and skills alive, and immerse yourself in a heritage that continues to evolve.
