LE RAVITO

Le Ravito combines the world of coffee with a food menu that focuses on fresh produce, seasonal ingredients and home-made dishes. The café offers a range of options for a gourmet break, whether it's a coffee, breakfast, a meal or brunch.

A selection of hot and cold drinks is available throughout the day. Breakfast options include pastries and open sandwiches, granola with fresh fruit, and pancakes. Pastries made on the premises round off the sweet selection.

The savoury menu showcases home-made recipes and seasonal produce. It includes salads, soups and open sandwiches, as well as dishes of the day and vegetarian options. At the weekend, brunch features a mix of savoury and sweet dishes. It's the perfect occasion to enjoy a leisurely meal with family or friends.

Le Ravito also welcomes cyclists and other sports enthusiasts. Snacks and energy bars are available to help you recharge your batteries before continuing your journey.
