ASTROEVENT 12.08.27: THE PERSEID METEOR SHOWER

Get ready to make a wish and look up at the sky! On Thursday, 12 August 2027, Hôtel Restaurant Chasseral invites you to an astronomical evening dedicated to the Perseid meteor shower, organised in collaboration with Astro Events.

This famous meteor shower offers a fascinating spectacle as dust particles from a comet enter the Earth's atmosphere at very high speeds. Enjoy an evening observing the Perseids while discovering the treasures of the summer sky, including star clusters and nebulae, through professional telescopes.

Evening programme

- 7:00–9:00 pm: Welcome drink and three-course dinner
- 9:00–10:00 pm: Interactive astronomy presentation
- 10:00–11:30 pm: Night sky observation through professional telescopes

The evening will be held in French and German.
Menu

- Seasonal mixed salad
- Roasted chicken supreme with wild mushroom sauce, mashed potatoes and seasonal vegetables
- Dark chocolate mousse with roasted hazelnut pieces

The price includes participation in the event, dinner, a welcome drink, mineral water and a coffee or espresso. Additional drinks are charged separately.

The event is weather-dependent. An alternative programme will be offered in case of poor weather. A minimum of 16 participants is required. If this number is not reached, the event may be cancelled no later than seven days before the scheduled date. Tickets are non-refundable, except in the event of cancellation by the organiser.

Fancy extending your experience under the stars? Book a hotel room or a bed in the dormitory directly on the Hôtel Restaurant Chasseral website.
