ASTROEVENT 26.06.27: THE SUMMER SKY

On 26 June 2027, Hôtel Restaurant Chasseral invites you to discover the wonders of the summer sky during an astronomical evening organised in collaboration with Astro Events. Admire the Summer Triangle, the Milky Way and distant galaxies through an interactive presentation and professional telescopes, then enjoy a delicious three-course dinner.

Evening programme

- 7:00–9:00 pm: Welcome drink and dinner
- 9:00–10:00 pm: Interactive presentation
- 10:00–11:30 pm: Night sky observation

Menu

- Seasonal mixed salad
- Roasted chicken supreme with wild mushroom sauce, mashed potatoes and seasonal vegetables
- Dark chocolate mousse with roasted hazelnut pieces

The event is held in French and German. The price includes the event, dinner, a welcome drink, mineral water and a coffee or espresso. Additional drinks are charged separately.

The event is weather-dependent, with an alternative programme planned in case of poor weather. A minimum of 16 participants is required. If this number is not reached, the organiser will cancel the event no later than seven days in advance and issue a full refund of the booking fees. Places are limited, and tickets are non-refundable in the event of individual cancellation.

Fancy extending your stargazing experience? Book a hotel room or a bed in the dormitory directly on the Hôtel Restaurant Chasseral website.
