FULL MOON OVER CHASSERAL

...

Let yourself be enchanted by the beauty of the Bernese Jura beneath the light of the full moon. Set off on foot, snowshoes or touring skis and make your way to the Hôtel Restaurant Chasseral, perched at an altitude of 1,548 metres, for a unique experience surrounded by winter landscapes.

On 20 February 2027, the hotel team welcomes you, by advance reservation, for a cosy and delicious evening. On the menu: a tasty homemade fondue prepared in collaboration with the Nods cheese dairy.

Whether you come with friends, family or on your own, enjoy a special moment away from everyday life, surrounded by nature, delicious food and exceptional panoramic views. It is a wonderful opportunity to discover Chasseral from a different perspective and experience the magic of an evening under the full moon.

A winter experience celebrating nature, conviviality and the authentic flavours of the region!
