TRAVEL TRANS JURA 2027

From 3 to 8 June 2027, get ready for a unique bikepacking experience with the Gravel Trans Jura! This cycling adventure takes you from Baden to Nyon through the magnificent landscapes of the Jura, covering approximately 400 kilometres and 11,000 metres of elevation gain.

Along the way, cross numerous Jura mountain ranges, discover breathtaking panoramic views and be captivated by the unspoilt beauty of the region. There is no set pace: each participant chooses their own rhythm, plans their stages and decides where to spend the night according to their preferences. Whether you prefer a comfortable hotel, a campsite or sleeping under the stars, the choice is yours!

Situated at an altitude of 1,548 metres, the Hôtel Restaurant Chasseral offers a special place to take a well-deserved break during your journey. Enjoy its 360° panoramic views of the surrounding landscape, savour a delicious meal and recharge your batteries before setting off again.

Thanks to a detailed roadbook, each participant has the information needed to adapt their route and daily stages to the current conditions, personal preferences and energy levels.

Whether you are an experienced bikepacking enthusiast or an adventure seeker looking for freedom, the Gravel Trans Jura promises an unforgettable experience combining physical challenges, discovery and wide-open spaces.
