LA COURTINE MOTORHOME STOPOVER

Located in a peaceful, green setting near the village of Corgémont, the La Courtine motorhome stopover welcomes travellers looking for a relaxing break in the Grand Chasseral.
Open all year round, the site offers three spacious pitches suitable for motorhomes up to 8 metres long. Each pitch has access to drinking water and electricity. A nearby barbecue area, equipped with a table and fire pit, provides a pleasant setting for enjoying time outdoors.
The stopover is an excellent starting point for exploring the surrounding area. Hiking and mountain biking enthusiasts can discover the landscapes of the Chasseral mountain range, while walkers can enjoy scenic paths along the Suze River. The village centre, with its shops and restaurants, is less than one kilometre away.
The pitches are reserved for self-contained motorhomes with their own sanitary facilities. Booking and payment are handled online via the Park'n Sleep app.
