CAMPING CAR, MONT-CROSIN

CHALET MONT-CROSIN MOTORHOME STOPOVER

Situated at an altitude of nearly 1,200 metres, in the heart of the Chasseral Regional Park, the Chalet Mont-Crosin motorhome stopover invites travellers to enjoy a peaceful break surrounded by pastures and the typical landscapes of the Grand Chasseral.

Located in the large car park of the Chalet Mont-Crosin Hotel-Restaurant, the stopover offers five pitches suitable for motorhomes of various sizes. Visitors can use the establishment's toilets during opening hours and enjoy the on-site restaurant, which serves regional cuisine and traditional specialities.

The stopover is an excellent starting point for exploring the region throughout the year. In summer, hiking and cycling enthusiasts can discover the landscapes of Mont-Crosin and explore the Sentier des Monts trail with its impressive wind turbines. In winter, the surrounding area is particularly well suited to cross-country skiing, snowshoeing and winter walks.
